March 2019

Dear Friends of The Caverns

| www.gccaverns.com |

We are a little late with this...our "off-season" became real busy!

OUR 1,500 ACRES

We have had a huge winter, like much of the west, with a spectacular spring arriving March 15th. If you like everything green & flower filled, that will be us!

Bunk House Village- Five New Units

At least one two bedroom/two bath/living room & kitchen house will be ready by May 2019. By July 2019 we will have two or more units open. Information will be online by April 1st, 2019. A new lodging category for us..bigger than two motel rooms but smaller than the giant ranch house. (formerly The Bunkhouse).

The Cave

Our incredible cave explorers will be here at the end of March to look inside what may be a giant discovery. They discovered this in the December 2018 Dig. Please stay tuned!

Restorations

We have a huge number of projects to update/enhance our guests experience. Come see what we are up to. A better place that always looks like 1964 on The Mother Road!
